All American Research and Drug Testing Signs New Clients and Opens Two New Full Service Offices in Texas

Forward Edge and Child Protective Services Choose All American Research

Irving, TX (July 6, 2006) – All American Research and Drug Testing™ today announced the grand opening of two new office locations to better deliver drug screening and background check services to the Dallas Metroplex. This announcement comes on the heels of the completion of a new client service agreement with Forward Edge, Inc. and the Texas Department of Family and Child Protective Services.

In addition to its corporate headquarters in Irving, Texas, All American Research & Drug Testing now has more than 4000 square feet of combined office space and 12 full time employees and contractors. “For a company that’s just near a year old we’ve undergone tremendous growth,” said Louis Cunningham, president and CEO of All American Research & Drug Testing. “We’re well on target toward completing 300 screenings per week and with our new office locations and clients, we’re quickly approaching that goal.”

The new offices are located at:

All American Research & Drug Testing - Dallas
1050 N. Westmoreland Road, Suite 430
Dallas, Texas 75211
P: 469-532-2494 F: 469-532-2498

All American Research & Drug Testing - HEB
1060 W. Pipeline Road, Suite 112
Hurst, Texas 76053
P: 817-886-8440 F: 817-886-8441

As part of an agreement with Forward Edge, Inc., All American Research & Drug Testing will participate in Child Protective Services’ drug testing program to screen parents and children. Child Protective Services is a division of the Texas Department of Family and Protective Services. “We’re glad to partner with an esteemed and growing company like All American Research & Drug Testing,” said Jim Turnage, Vice President of Forward Edge, Inc. “All American is helping us provide unparalleled service to our client.”

All American Research & Drug Testing is Drug and Alcohol Testing Industry Association (DATIA) accredited and provides nationwide onsite services including five-panel drug screening, high school extracurricular drug testing, background checks, grant writing, paternity testing, drug-free workplace programs and breath alcohol testing. The company complies with the Drug-Free Workplace Act as an eligible intermediary to supply drug-free workplace services and to assist businesses in implementing comprehensive programs.
